

OPEN MORNING

THURSDAY 17 MAY 2012

1000 hrs – 1300 hrs

We would like to invite you to learn more about the flying start that Auditory Verbal^{UK} provides for hearing impaired children and their families. We want you to be able to hear directly from the people involved and to gain insight into the way that Auditory Verbal Therapy (AVT) enables children with impaired hearing to listen and talk as equals alongside their peers.

Our Open Mornings are our opportunity to welcome you to our centre in Chesterton and to introduce you to the Auditory Verbal approach and the particular styles of therapy used at Auditory Verbal^{UK}.

Visitors will be guided through a **live session of therapy** and will have the opportunity to ask questions and comment during the session. After the session, the parents have agreed to take questions about their experience of the Auditory Verbal approach.

The timetable for the Open Morning is as follows

- 0930 am Arrival and refreshments
- 1000 am Introduction to Auditory Verbal Therapy
- 1030 am Observation of AV session
- 1130 am Discussion with family
- 1215 pm Feedback
- 1245 pm Close

There is no charge for attending our Open Morning but places are limited and will be allocated on a first-come, first-served basis. We can assure you of a warm welcome and an informative and entertaining morning. To reserve your place please book on line at www.avuk.org
