

SUPPORTING HEARING-IMPAIRED CHILDREN IN MAINSTREAM EDUCATION

Thursday 07 October 2010
1000 hrs – 1600 hrs

This course is designed to give you practical suggestions to equip children to succeed in mainstream education. Topics covered will include:

- The benefits and limitations of hearing technology as well as how to check, troubleshoot and use hearing technology effectively in the classroom.
- How to use a range of strategies to facilitate the child's communication with other children and adults within the classroom.
- How to accurately observe the child you are supporting in order to plan and deliver support within the classroom.
- Understanding children's behavior.

Suitable For: Parents, LSAs, Teachers, SLTs, ToDs

Course Fees: **Early Bird** £90 (*Applies to bookings received before 18 July 2010*)
Standard Fee £120

The relevant fee includes all course materials, lunch and refreshments (please notify us of any special dietary requirements).

Registration: **Closing Date for registration is Sunday 18 September 2010**
Limited places available.
